"If a majority in number or interest of the members of a corporation desire to close its affairs, they may file a petition therefor in the supreme judicial court or the superior court, setting forth in substance the grounds of their application, and the court, after due notice to parties interested and a hearing, may decree a dissolution of the corporation. A corporation so dissolved shall be held to be extinct in all respects as if its corporate existence had expired by its own limitation."

[Revised Laws, chap. 109, sect. 57.]

RETURNS TO BE MADE OF CORPORATIONS DISSOLVED BY THE SUPREME JUDICIAL OR THE SUPERIOR COURTS.

"If a corporation is dissolved, the clerk of the court in which the decree for dissolution is entered shall forthwith make return thereof to the Secretary of the Commonwealth, giving the name of the corporation dissolved and the date upon which such decree was entered."

CERTIFICATES OF PAYMENT AND INVESTMENT OF CAPITAL, AND ISSUE OF CAPITAL STOCK.

The attention of the officers of public service corporations is called to the requirements of the corporation laws respecting the filing and recording of certificates

of payment and investment of capital. Special attention is asked to the following: Revised Laws, chap. 110, sects. 43, 44, 45, 58 and 59.

The attention of the officers of trading corporations is called to the requirements of section 14 of chapter 437, Acts of 1903, which provides that no issue of stock subsequent to the issue of stock certified by the articles of organization *shall be lawful* until a certificate pertaining thereto shall have been filed in the office of the Secretary of the Commonwealth. Section 41 of chapter 437, Acts of 1903, provides that no amendment or alteration of the agreement of association or articles of organization shall take effect until said articles of amendment shall have been filed in the office of the Secretary of the Commonwealth.

[Revised Laws, chap. 109, sect. 12.]

CORPORATIONS CREATED BY SPECIAL CHARTER TO FILE EVIDENCE OF THEIR
ORGANIZATION.

“A corporation which is created by special charter shall, if no time is limited therein, be organized within two years after the passage of its act of incorporation. Within thirty days after the final adjournment of the meeting for organization of any such corporation, the recording officer thereof shall make, sign, swear to and file in the office of the Secretary of the Commonwealth a certificate stating the date on which the meeting for organization was held, the names of the officers elected at such meeting and the amount of capital stock, if any, fixed under its charter.”

INDEX, RECORDS, FEES, PUBLICATIONS, ETC.

A card index has been prepared, embracing references to all acts of incorporation and amendments thereto of corporations created by the General Court since the year 1780, and to every certificate recorded in the office under general laws concerning joint stock and other corporations, since the year 1851, when the first certificates were recorded. This index includes corporations created for the following purposes, arranged under their proper classification: manufacturing, mercantile and industrial companies; railroads; street railways; steamboat, towing, express and coach companies; gas and electric, water supply, telegraph and telephone and water-power companies; proprietors of common lands, bridges and ferries, breakwaters, buoys, harbors and moorings, channels, locks and canals, dry docks and marine railways; insurance companies, savings banks, co-operative banks and safe deposit and trust companies; asylums; homes; dispensaries, hospitals, medical societies; general charities; training schools for nurses; cemeteries; clubs; boards of trade; and associations for educational, religious, mechanical and professional purposes; also, certificates of condition of Massachusetts corporations since the year 1870 and those of foreign corporations since the year 1892.

The records of religious and benevolent associations date only from the year

1874, when the existing law for their formation, and for the filing of their certificates in the Secretary's office, went into effect. The office has no knowledge of the legal existence of those formed previously to 1874 under general law, as the certificates of such organizations were required to be "recorded in the office of the register of deeds for the county or district" wherein they were located; nor has it official information of any class of corporations *dissolved* by the supreme judicial court previous to 1880.

Every fee paid into the office for recording under the provisions of chap. 224 of 1870, and every subsequent corporation act (as well as those of some years previous), has been made a matter of record with the certificate itself, the money being paid into the treasury at the time designated by the statute. The propriety of such record is not only obvious, but the record has been found to be necessary for the just assessment of subsequent fees, dependent upon the amount of payments previously made. (*Vide* Revised Laws, chap. 110, sect. 86, 2d clause.)

Abstracts of the organization certificates and annual returns are made and published daily and weekly by the representatives of various newspapers and trade journals for the accuracy of which this office is not responsible.

REVISED LAWS, CHAP. 109, SECT. 52, OF DISSOLUTION.

"If a majority in number or interest of the members of a corporation desire to close its affairs, they may file a petition therefor in the supreme judicial court or the superior court, setting forth in substance the grounds of their application, and the court, after due notice to parties interested and a hearing, may decree a dissolution of the corporation. A corporation so dissolved shall be held to be extinct in all respects as if its corporate existence had expired by its own limitation."

[Revised Laws, chap. 109, sect. 57.]

RETURNS TO BE MADE OF CORPORATIONS DISSOLVED BY THE SUPREME JUDICIAL
OR THE SUPERIOR COURTS.

“If a corporation is dissolved, the clerk of the court in which the decree for dissolution is entered shall forthwith make return thereof to the Secretary of the Commonwealth, giving the name of the corporation dissolved and the date upon which such decree was entered.”

CERTIFICATES OF PAYMENT AND INVESTMENT OF CAPITAL, AND ISSUE OF
CAPITAL STOCK.

The attention of the officers of public service corporations is called to the requirements of the corporation laws respecting the filing and recording of certificates of payment and investment of capital. Special attention is asked to the following: Revised Laws, chap. 110, sects. 43, 44, 45, 58 and 59.

The attention of the officers of trading corporations is called to the requirements of section 14 of chapter 437, Acts of 1903, which provides that no issue of stock subsequent to the issue of stock certified by the articles of organization *shall be lawful* until a certificate pertaining thereto shall have been filed in the office of the Secretary of the Commonwealth. Section 41 of chapter 437, Acts of 1903, provides that no amendment or alteration of the agreement of association or articles of organization shall take effect until said articles of amendment shall have been filed in the office of the Secretary of the Commonwealth.

[Revised Laws, chap. 109, sect. 12.]

CORPORATIONS CREATED BY SPECIAL CHARTER TO FILE EVIDENCE OF THEIR
ORGANIZATION.

“A corporation which is created by special charter shall, if no time is limited therein, be organized within two years after the passage of its act of incorporation. Within thirty days after the final adjournment of the meeting for organization of any such corporation, the recording officer thereof shall make, sign, swear to and file in the office of the Secretary of the Commonwealth a certificate stating the date on which the meeting for organization was held, the names of the officers elected at such meeting and the amount of capital stock, if any, fixed under its charter.”

INDEX, RECORDS, FEES, PUBLICATIONS, ETC.

A card index has been prepared, embracing references to all acts of incorporation and amendments thereto of corporations created by the General Court since the year 1780, and to every certificate recorded in the office under general

laws concerning joint stock and other corporations, since the year 1851, when the first certificates were recorded. This index includes corporations created for the following purposes, arranged under their proper classification: manufacturing, trading, mercantile and industrial companies; railroads; street railways; steamboat, towing, express and coach companies; gas and electric, water supply, telegraph and telephone and water-power companies; proprietors of common lands, bridges and ferries, breakwaters, buoys, harbors and moorings, channels, locks and canals, dry docks and marine railways; insurance companies, savings banks, co-operative banks and safe deposit and trust companies; asylums; homes; dispensaries, hospitals, medical societies; general charities; training schools for nurses; cemeteries; clubs; boards of trade; and associations for educational, religious, mechanical and professional purposes; also, certificates of condition of Massachusetts corporations since the year 1870 and those of foreign corporations since the year 1892.

The records of religious and benevolent associations date only from the year 1874, when the existing law for their formation, and for the filing of their certificates in the Secretary's office, went into effect. The office has no knowledge of the legal existence of those formed previously to 1874 under general law, as the certificates of such organizations were required to be "recorded in the office of the register of deeds for the county or district" wherein they were located; nor has it official information of any class of corporations *dissolved* by the supreme judicial or superior courts previous to 1880.

Every fee paid into the office for recording under the provisions of chap. 224 of 1870, and every subsequent corporation act (as well as those of some years previous), has been made a matter of record with the certificate itself, the money being paid into the treasury at the time designated by the statute.

Abstracts of the organization certificates and annual returns are made and published daily and weekly by the representatives of various newspapers and trade journals for the accuracy of which this office is not responsible.
